

It's Not To Late!

Help your student. Join the PTSA!

Today more than ever, schools are challenged to provide every child with the best education. Budgets are tight while government requirements are growing. Schools are challenged to do more with less.

More than 30 years of research has proven that children do better when their parents are involved both at home and in school. Grades are higher. Test scores rise. Self-esteem grows. Schools improve.

How can you be more actively involved? It's simple – Join the PTSA. The number one reason to join the PTSA is to benefit your child. In doing so, you also help your school. But there are many more advantages. Here are just a few:

Get Connected. There's no better way to know what's happening at your school.

Discover Great Resources. The PTSA offers a variety of programs designed for parents as well as students.

Tap into a Network. Parenting is not easy – it helps to share ideas, concerns and experiences with other parents and educators in the community. PTSA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind.

Watch Yourself Grow. By volunteering with your PTSA, you gain valuable experiences. It's an opportunity to put your skills and hobbies to good use for a good cause – Your child and all children in the community.

Speak Up. PTSA is a forum for exchanging ideas, you are encouraged to make suggestions. PTSA can be a way for you to more effectively suggest change at your child's school.

Witness Improvement. By getting involved at your child's school you'll be part of the solution, helping make positive changes. Local PTSA's play an important role in fundraising to help provide building improvements, curriculum-based programs and social events – all vital to a school's success.

Be a Role Model. By becoming a PTSA member, you'll be demonstrating to your child the importance you place on education.

Flexible Time Commitments. Volunteer as much or as little as you want...it's your choice.
